Dear Business Owner,

I have been asked by the Hale Area Association to put together a Hale Area Visitors Guide.

This guide will have local information and attractions for the potential visitors to the community. The association will have the majority of these brochures to pass out and to be mailed as part of an area information kit. Each advertiser will also receive copies.

You have the opportunity to advertise in this unique pamphlet and promote your business as well as help promote the greater Hale area. I have enclosed a rate sheet and approximate ad sizes. Our goal is to have the guide completed by Memorial Day weekend, so time is short. **Advertising deadline is April 1st.**

If you are interested in advertising in this Visitors Guide please contact me at your earliest convenience.

Thanks for your time and I look for to hearing from you.
